*Happy Birthday PRCW*

2016 marks our 20th year! We praise the Lord for His continued blessing of this vital, ongoing ministry. Look for ways we are celebrating!

### Great News!

An anonymous donor recently gave \$5000 to be used to fund a billboard for PRCW! We hope you will be seeing it before the end of 2015. This will greatly increase the visibility of this ministry! Pray for most effective location.

### Striving to become the First Choice

### Abortion in Walton County

Regrettably, abortions have increased in Walton County from 195 abortions in 2012 to 246 abortions in 2013. That is 51 additional abortions! However, as videos that have emerged showing the truth of what Planned Parenthood does to unborn children, **we are preparing for more and more people to discover our life affirming ministry where babies are rescued and women never die!** Thank you for helping us continue to provide free health care services to these women! It's more important than ever! You are saving lives!! Visit [www.PRCWalton.com](http://www.PRCWalton.com) to see how you can partner with us in our ministry to women, men, and their unborn children.
